

## GALLERY IN THE PARK

---

# *Call for Sculptors*

***Sculptors are invited to submit images of their work to be considered for a two year outdoor exhibition at Gallery in the Park.***

Gallery in the Park is the newest art facility being developed in the province and will be located in Altona, Manitoba.

The three acre sculpture garden will feature outdoor sculptures representing a variety of styles and sizes.

The sculptures are owned by the artists and loaned to the exhibit.

All sculptures are insured for liability and physical damage.

We encourage the sale of sculptures to corporations and the public.

Gallery in the Park receives a 25% commission on sculptures sold.

We ask sculptors to secure steel plates to the bottom of the sculptures because all sculptures will be bolted or welded down for security and safety.

All sculptures need to be made of durable weather resistant material and constructed with safety in mind for display in a public setting.

***Send images, bio, and a brief description of the work to:***
